These booths include Nachos, Mexican candy, and <i>saladitos</i>. • Sugar Skulls Booth: In the courtyard. • Face Painting Booth: In the courtyard. • Department Booths: Arranged outside in the courtyard under the awning. Families can join these booths and activities both before and after the main performances! • Cake Walk: Inside Room 35. This room is located in the science building space (right by the courtyard) for fun indoor activity. • Art Decorations: Displays will be placed along the trophy case area between the 8th-grade bathrooms, lining the hallway leading to the access control gates, and on the lockers outside in the courtyard.
